- LAREDO 01 ceramic - fireplace stove
- LUGANO 01 ceramic - fireplace stove
- OVALIS 01 ceramic with relief structure - fireplace stove
- OVALIS G 01 ceramic with relief structure - fireplace stove

This fireplace stove is suitable for low-energy homes. The fully glazed door is decorated with designer prints. The triple-sided glazing allows you to view the fire from multiple angles. An EAI (External Air Intake) system is included. The standard version includes the option to connect an upper or rear flue gas exhaust. Thanks to the secondary air intake, the door glass is air-washed to prevent the cumulation of soot. The combustion chamber is lined with chamotte brick tiles. The primary and secondary air intakes are regulated by a single control element. The lower part of the stove includes a storage area with a door for a small amount of wood or tools.

order code: **BELO 3S 01**
