

LAREDO 02

“An attractive, luxurious stove of unique proportions, with a glass door and stainless control elements.”

- suitable for low-energy houses
- radius glass intensifies the look on flames from different angles
- preheating of the secondary air to keep the glass clean
- polished stainless control elements
- design printed glazing
- air regulation with only one control
- ready for an external connection of the combustion air intake (EAI)
- door of the woodshed

order code: **LAREDO 02**

Technical parameters
