

LUANCO 02

We are sorry, but this model has been sold out and cancelled from our product range.

Please look at following alternative models:

- ALEA 02 A serpentine - fireplace stove
- ALEA 02 serpentine - fireplace stove

The fireplace **LUANCO** with natural stone sliding is decorated with a stone of grey and green colour. This fireplace like all its implementations has a rotating mechanism so the radiating heat can be experienced from different angles. The stone is a natural material with accumulation abilities.

- ready for an external connection of the combustion air intake (EAI)
- Intake of secondary air, thanks to which the glass of the door is cleaned and therefore impurities do not settle on it
- The base of the fireplace rotates on its own axis
- The fireplace **LUANCO stone** has the top board of natural stone in grey and green colour
