

LUGO 03

We are sorry, but this model has been sold out and cancelled from our product range.

Please look at following alternative models:

- LUGANO 03 steel - fireplace stove
- LUGO N 03 steel - fireplace stove

The oval shape of the LUGO fireplace stove gives the interior a cozy feeling. It includes nice details, such as a sill above the furnace or the door handle whose technical design lends the LUGO fireplace stove an elegant look.

- possibility to install accumulation elements on the back side of LUGO
- high heat radiation capacity thanks to accumulation elements
- long-lasting radiation of heat
- suitable for low-energy houses
- possibility to connect an upper or rear flue gas exhaust
- ready for an external connection of the combustion air intake (EAI)
- preheating of the secondary air to keep the glass clean
- regulation of primary and secondary air intake by a single control element
- closable wood storage for a smaller amount of wood
- accumulation parts for additional charge

order code: **LUGO 03**
